

QUALITY TIME WITH THE TEAM

Gather the team members and EVS volunteers and spend some bonding time together by doing different non-work related activities. Tool: at the beginning of the week insert in the schedule a 30 minutes Happy Team session.

WEEKLY PLANNING

Listen, prioritize, adapt, motivate!
Use Eisenhower's Urgent/Important Principle.

WEEKLY EVALUATION

Create a comfortable space of sharing. Use the Kolb Cycle in meetings: 1. What has happened? 2. How did you feel? 3. What did you learn? 4. What would you have done differently?

CREATE A STRONG TEAM

THE BEAUTY OF TEAMWORK

An European Voluntary Service stage requires a lot of work, especially if it's a long-term mobility. In order for things to go on smoothly, you have to be always prepared and to have the support needed.

Make sure all the roles of each member of the team is transparent and clear to everyone, make a teambuilding, delegate tasks!
